1. No greater love. No greater love. No greater love.
No greater love. No greater love. No greater love.
No greater love. No greater love. No greater love.
Ted, I love you. I love My body. I love those I died for, and Ted, I died for all.
No greater love, no greater love, no greater love, than to lay down My life.

2. Ted, My leaders want to lead but they don't want to lay down their life first, first, first, Ted, first! Tell them—first! Tell them I'm arroganced out, I'm patiented out. I am looking for leadership of Me, Me, Me, to Me, for Me—not to them, for them.

3. I'm looking for those who will, who have, and who will lay down their lives for My friends.

4. Ted, I'm looking for those who will lay down their lives for their friends, by taking time, by giving life, by giving love, by infusing the kids of your friends with Me, by Me, in Me, by spending time with Me, for them.

5. Tell them to write the names of their friends and write all their kids names, and begin bringing the list to Me, before Me, to read to Me, to intercede to Me, for Me to make Myself known to them and birth a new generation of Joshua's and Caleb's who are not afraid of the tyranny and bondage of the much-afraid who elevate themselves and control others in hidden fear.

6. Tell them to write. Start a mass exchange of My body knowing the kids of My body, the kids of their friends, and Ted, bring the writing to Me, bring the writing to Me, bring their writings to Me, and Ted, I will share My bread and wine with those who lay down their life for My lambs, for the lambs of their friends, for those I died for, for those I cry for, for those I long for, for those I long to touch and hold and feel their skin next to Mine.

7. **Ted, tell them to write the names of their family, their extended family, and begin writing out—formally, in structure—to place high value on this and not take it lightly.** This is not a whim of yours or Mine or theirs. This is something critical and foundational to what I am doing and I am doing it through you, Ted through you, for you love so deeply and hurt you have, but now you heal, you heal, you heal wherever you go, for you take Me in My sensitivity and not just you in your sensitivity.

8. Ted, the lists—the friends, the family, the lambs—write and write now and ask them to share them with you and each other, and do not delay in this, do not delay in this, do not delay in this. Tell all who will listen and further instructions I will give and clarify and edify and heal and raise up many through My directions to you this day.

9. This edifice is of Me. This sanctuary is of Me, and Ted, the edifices and sanctuaries of My friends and lambs are of Me—internal palaces of healing fountains to serve many—Mine—serving Mine—abundance, maturity, understanding, meekness, humility, wisdom, joy, peace, healing, healing, healing.

10. Ted, this is of Me and not of you so careful be, and I will instruct. Let not your mind rule or instruct for I will rule and instruct. Now tell them today, in your today, that I have spoken and this is what I am asking My body to do, now, even now, even today.

11. Take paper and pen and begin today to write the names of your family first, your friends second, and all their children, by name, individual name, carefully, painstakingly, not carelessly. These are documents for Me Ted, for Me, for Me to be brought before Me. Do not delay. And tell them to not delay, begin today with what you have, what you know, what your remember; contact your family members and get the names of your cousins and relatives of relatives and begin writing them and careful be.

12. And Ted, bring them before Me, bring them before Me, bring them before Me and call their name to Me in My presence, and remind Me of My promises and what I've said, and what I've done and excite Me about what I will do through the families of your family and the families of your lambs.

13. Tell them to care. Tell them to love. Tell them to speak. Tell them to act. Tell them to write. Tell them to intercede for the people, the lives, the precious lives I've created who are known of them, known by them, and care about them. Care. Care. Ted, please care, and beg them to care. Care. Care. Care. Please care. Please come and begin speaking My people's names to Me and I will begin moving like I have never moved before. Ted, never.

14. And you shall see. And the hearts of the children will be turned toward their fathers, the hearts of the daughters will be turned toward their mothers, the hearts of the fathers and mothers will be turned toward their sons and daughters, and sons and daughters will begin caring about sons and daughters like Ted, you have never seen. But you will see.

15. Pivot point man you are. Meek, meek, meek Ted, humble, humble, humble. Meek, humble, meek, humble, meek, humble, and Ted meek, humble, powerful, focused be on what I am doing and please leave all other concerns and details and all stuff to others and let Me direct them.

16. Oh Ted, your time is now, today, Ted today, now, your today, July 14, 2003, today, your day, your day Ted, because it's My day, it's My Me and this is part of the new thing I am doing, and I am doing it through My body, for My body, to each of My body, and bread and wine will be served in honor and deference and meekness and purity and love, to My body, every one of My body, to every one of My body, and healing and love will flourish, and My gifts and callings upon My people will be unleashed and maturity will begin as judgment begins.

17. **Let no one take this lightly, and serious be about My command, My instruction to you this day. You are never, ever to forget this word for foundational it is to My move in My day, in today, and now and moving forward I am**.

18. Cars, money, computers, garage doors—oh Ted, be concerned with My word only, and disseminating it daily, by means of every means I give you. And Ted, great will be your reward and great will be the healing that comes to, and through, and throughout My body, through this beginning.

19. I will give you so much more and technology and technology giants who create directly from My throne for doing what I want done with this beginning to flourish in unique ways.

20. I love you. I love you. I love you. Tell them. Shout it, proclaim it every place, every place, every place you go, that this is of Me and foundationally correct, from Me.

21. I ask all My family to begin laying down their life for their family, the family of their friends, and all My body, today, now.

22. The time is now. This is of Me. Go forward unafraid. Armaments of armies of protection and provision come to you now in My over-abundance.

23. Think not small—think only in obedience.

24. I love you. I love you. I love you.

25. I will instruct much about My networks I am birthing through you, you will see, they will see, and those that laugh at you will laugh no more. For I move and I choose and I care and I come and I counsel and I heal and I have done all these to you, and for you, and Ted—you now, for them.

26. My man, My son, My friend, My lamb. I thank you. I thank you. I thank you.

27. Go to lunch and tell her thank you again for Me. Mighty shall she be—humble be.

28. I smile you smile.
I smile you smile.
Ted I smile you smile.

29. Thank you. Thank you. Thank you.
